A message from Mr Pardini...

**Confirmation**
Thank you everyone for making our celebration on Sunday such a beautiful occasion. The candidates did a great job on the day and were truly filled with the Holy Spirit. Well done to all staff (particularly Mrs Mazzarolo) and parents who assisted to make this event happen in true St Joseph’s / Sacred Heart style!

**Strategic Plan**
As our school enters a new era (with the conclusion of Year 7 at St Joseph’s) we look to the future through a new Strategic plan. Next week, the staff will begin the initial stages of a new plan which will extend over 5 years. There will be the opportunity to provide input from all stakeholders in our school in order to develop the most community based plan for our school. Stay tuned as we begin this process because we will require your input.

**Dress up day**
How could I have forgotten? With so many things on this term, our annual Book Week dress up day almost got lost! Get cracking on your wonderful creations and ideas to celebrate the wonderful world of books for a parade on Thursday 11 September at 9.00am. Apologies for the late notice but I do know some of you have planned your costume already!

**Book swap**
Following on from the ‘dress up’ parade, we will be launching into our book swap and activity morning to celebrate further. Don’t forget to bring in those books to swap!

**Year 6/7 Assembly**
To allow for the dress up day and book swap, the Year 6/7 assembly has been postponed a week until Thursday 18 September.

**Basketball nominations**
All children from in Years 5, 6 and 7 today have received a nomination form for the Pemberton Basketball competition. It has been some time since we have had a local basketball offered so please take the time to talk over with your child their nomination. The more people that nominate to participate, the more successful the round will be.

K/Pp/1 Newsletter

Books, books, books! A big thank you to those who have carefully picked a couple of books to bring in for our Book swap next Thursday. Please take the time to look through your book shelves to find one or two books that you don’t really read any more to swap for a new book that you may love.

Like everyone in the school the Pre-primaries and Year Ones have been very busy making a splash this week in the pool. It is great to hear that they are all enjoying themselves and improving the swimming skills as well. Great Job everyone.

2/3

Well it certainly has been a very tiring week with the amount of swimming that has happened! I think the children are absolute troopers for being able complete a double lesson in one day - I am not sure how many adults could cope with that!

4/5

Well what a week it has been! Between swimming lessons and Father’s Day gift making we sure have been busy. I wish all the fathers a wonderful day on Sunday.

Thank you to those parents who have returned camp slips and money. If you haven’t done so already please do A.S.A.P. Also please see me if you have any queries about the camp. I’m sure the students are buzzing with excitement.

In class we have been learning about letter writing. Did you know that P.S actually stands for postscript? It was designed in case you forgot to write something in your letter.

Have a good great weekend!

Confirmation

I know we have already echoed ‘thanks’ but without the support of our families, Confirmation Mass on Sunday would not have been the ‘Spirit-filled’ Mass it was. To all candidates, thank you for the wonderful participation you showed. I know your families were very proud of you as well as your teachers!

Assembly

Sorry for inconvenience we have to put our assembly back for book week please come and join us on 18 September @ 9 am, we would love to see all the dad’s here (hint, hint).

Art

Over the last few weeks PP/1 class have had great fun building their own doll’s house.

We had to ‘make our own bricks’ and then work out how to make very strong walls so our house would not collapse.

We then had to plan what rooms we wanted to have and where to set them out in the house.

Our photo shows what a great doll’s house we finished up with and we are having lots of fun playing with it.

ST JOSEPH’S SCHOOL, PEMBERTON |

Hi everyone

Approximately three years ago my four year old niece lost her battle with leukaemia. Steps for Stessy is a charity that was set up to fundraise for the PMH Foundation which continues research in childhood cancers. There is a walk held every year in Manjimup in October (you may have seen many of the pink shirts around Manjimup!) and all of the proceeds are sent to PMH. This year, I will do walking as well as cutting my hair (Luckily not at the same time!) For those of you that have known me for quite a while, I have had long hair for many years. As a fundraising effort, for every $50 donated for me to chop my hair, 1 cm will be cut off. I am not brave enough to shave it, but at least 45cms can come off before I start looking strange! If you would like to donate to the cause, the account details are BSB: 036-126 A/C # 181542. If you would like more information on Steps for Stessy, just head to the facebook page. There is no expectation for you to donate, however all donations (big and small) are very much appreciated!

Thanks Heidi!!
