A message from Mr Pardini...

**Strategic Plan**
At our recent Strategic planning day we focused on both the Vision and Mission statement of our school. In order to forward plan for our school, we have been looking at aligning our Mission and Vision to reflect the path our school is headed. We began drafting a new statement which keeps in mind our strong ties with the St Joseph’s charism but also informs the role of our school. At the upcoming P&F and School Board meetings I will gather feedback for these statements as our first step towards a new school plan.

**Dress up day**
Thank you to all families for your continued support of our themed days. I really appreciate that some of you have been involved in quite a few costume creations over many years!

**Mass change of time**
Please note there will **NOT** be a Sunday Mass this weekend! Mass will be at **6.00pm on Saturday 13 September** to allow for the Manjimup Parish Centenary celebrations.

**Science Night stalk event**
Please see the attached letter from Mr Kelly regarding a fantastic opportunity to go on a night stalk adventure. We would love to have you join in but places are limited so get in quick!

**Year 4/5 camp**
This coming Monday 15 and Tuesday 16 September, the Year 4/5 class will venture to the Bridgetown Camp school for an overnight camp. I know the class is very excited about this trip and we wish them all the best.

**P&F and School Board**
A reminder that the P&F meeting will commence at 6.00pm and the Board meeting is set to start at 7.30pm on Tuesday 16 September.

**Options Showcase**
It has been a huge few weeks of Options! This week we had the last session of Options as next week we will gather at 1.30pm for the Showcase. Please come along to join in the celebration of an excellent term!

**Year 6/7 Assembly**
Please don’t forget the Year 6/7 Assembly on Thursday 18 September. As you would have seen last Sunday, following assembly the class will be involved in washing some of our Dads cars. We hope you can come to assembly which commences at 9.00am. At our assembly, please take time to look at some of the excellent dinosaur drawings the class have created in Art.

**Long service leave**
In the final 4 days of this term (Monday 22 – 25 September) I will be taking the week as part of long service leave. With Mrs Pardini and a 4 and 5 year old in toe, we will be setting our sights on Coral Bay. In my absence, Mrs Mazzarolo will assume responsibility for our school so please do contact Leanne if you require anything.

**Final day of Term 3**
Please note that our school’s last day of operation for this term will be Thursday 25 September. The school will be closed on Friday 26. School will resume on Tuesday 14 October for students.

Take care and enjoy the weekend ahead.
Carlo Pardini

KP1

Wow, last week it was swimming now it’s Book Week Dress Up Day. School is so busy and so much fun.

The children are beginning to investigate different types of transport. Look out for some information reports about transports. Did you know that transport means getting you from one place to the other and sometimes the only type of transport you need are your legs!

Have a look at some of our fantastic books we have been busy reading at lunch time after our Book Swap today. Thank you to all those families who so kindly separated themselves from some of their old books, you now have some new ones to add to your book shelf.

6/7

As you know, next week (Thursday 18 September) is our class assembly commencing at 9.00am. Following assembly we will be washing our Dad’s cars (or utes!). If anyone can bring in a bucket and sponge that would help with the task of washing! We will give them back to you with a clean car. In the case of poor weather we will reschedule for another day.

4/5

Well what a day we have had today! Book day dress up this morning and then after a quick change of clothes we were ready to be farmers. The class travelled to the Barnsby farm today to learn about cattle and what farmers do to look after their cattle. A big thank you to the Barnsby for all your help in arranging our visit.

2/3

It is nearly the end of term and the children continue to come to school with smiles on their faces and a spring in their step. They all coped extremely well with the demands of swimming every day last week and I was very impressed with their enthusiasm and attitude!

We are continuing to work hard and we turn our attention to the next two events to end off the term; our farm excursion and our class liturgy. On our farm trip we will be looking at different crops that farmers can grow and our liturgy will celebrate the Holy Spirit.
Making Jesus Real

We have had a change! Our weekly focus has now changed to a fortnightly focus. This week we are still focusing about the importance of self belief. Keep an eye out for next weeks in-touch to see who are our MJR award winners!

P & F News

A reminder our meeting is this Tuesday @ 6 pm in the school staff room. We would love to see everyone there for the last one this term. Come along and see what we are planning, we need all hands on deck for term 4!

Thank you
P & F Executive

Office Hours

The office will be open Monday, Wednesday, Thursday & Friday next week.
