THE THREE LITTLE PIGS!

A message from Mr Pardini...

Farewell and ‘Bon Voyage’
It’s finally here! This week Mrs Mazzarolo will set off on an experience of a lifetime as she heads on a tour of the Holy Land which will see her travel to many places during the coming weeks. With excitement we offer every blessing to you for safe passage and may this pilgrimage be a wonderful experience of Holy Week. We look forward to Mrs Mazzarolo coming home (in week 2 of Term 2) with lots of photos and stories.

Stations of the Cross
Thank you to our 6/7 class for leading a very reflective Stations of the Cross on Tuesday night - you all did a fantastic job!

Parish Shed Mass
Thank you to those parents who have offered to help in some way setting up or on the night of the annual Parish Shed party. The evening commences with Mass at 5.00pm.

Easter is coming!
The PP/1 class will be running an Easter Liturgy in preparation for Holy Week in their classroom on Wednesday 9 April at 11.00am.

Assessment books
You will receive your child’s assessment book at the end of next week. Please take care of these over the holiday period, but do take the time to go through the tests included.

Parent Interviews
Once again, thank you to parents who have managed to take the time to present for parent interviews. It has been great to hear that almost all parents have managed to make a time to meet their child’s teachers. Remember, if you have not had the opportunity to come in for an interview, it’s not too late! I really do thank the staff who have provided their time for these meetings - the holidays are not far away!!!

Front signage
A big thanks to the Dads who responded to my call for help installing the new electronic sign (I had to tell some not to come as I received lots of calls!). In the end a crane did all the lifting but thank you Justin Omodei and Troy Della Franca who were there to assist. In case you are wondering, the sign now needs to be hard wired before it is operational - stay tuned!

Uniform
I was rapt this term with everyone’s support of our uniform - a BIG thank you from me! Please don’t forget to use the coming week as an opportunity to ensure your child has the correct items of clothing for Term 2. Kerry now has supplies of navy blue socks and tights. In the past some students have worn black socks or tights but please go through our uniform shop for the correct colour. Kerry will be happy to help you out. Thanks everyone!

Front steps
The front and rear steps of the Admin block are now resealed and can be used. Thank you for your patience while this work took place.

More paperwork!!!
With today’s In Touch, you will receive some more forms to complete (sorry but we will make these some of the last ones!). We have worked out a way where existing parents do not need to fill in emergency forms every year so we are asking you to double check the information on the ‘Full Family Details’ sheet, and amend if required. If there are no amendments, you simply sign the back (does that sound easy?). We also require updated photo permission and specific medical details for each child. If you have any queries about any of the forms you receive today please call us.

End of Term 1
A reminder the final day of Term 2 is Friday 11 April. School commences for all children on Tuesday 29 May.

Another busy week down, one to go!

Classroom news...

**K/PP/1**

We are all busy getting ready for our Easter Liturgy next Wednesday @ 11am in the KP1 classroom. Please come along and join in this whole school celebration. We would also love to have our Kindy children join us following the Liturgy so they can take part in our bonnet parade and morning tea. Look forward to seeing you then.

**4/5**

Assembly

Well I think it is fair to say that the 4/5’s did a great job in their assembly today! Well done to everyone in the class for all your efforts - they even got to enjoy some pig cupcakes afterwards as a thank you for their hard work.

Now all that remains is for someone to take our house props. If you are interested in having a house made of straw, sticks or bricks as an addition to your house please see me.

**6/7**

It has been great to see all parents over the course of the past two weeks. We really have appreciated your time as you have presented for interviews - we hope that you have walked away knowing a little more about your child this year and how they are going at school. Like we always say, if something comes up, please do come in and chat to us.

Year 6/7 Diaries

One of the reasons we love parent interviews is we get to hear some of the things you would like to see also in the class. A number of parents asked about the possibility of student diaries. We will have some for each student for the start of Term 2.

Lucky 7s - Class Dojo

Our Dojo point chart (Lucky 7s) has kicked into action and the class have been treated already with an ice-cream as a reward. Stay tuned for more rewards as they work together for whole class bonuses (there is talk of a movie night in Term 2)...as well as a trip overseas (not sure about that one!).

Assessment Books

There are a number of assessment books still at home. Could you please send these in with your child this week so we can fill them up with the next pieces. Thank you.
