

K/Pp/Yr1

Well, we think the children should be very proud of all they have achieved this term and for a special reward and grand finale to our theme about farms we are taking them out and about on Friday for a special excursion. Dress up in your farm gear, kids, because we are going to the Love's farm, Holy Smoke and the Manjimup Timber Park! Let's hope the weather is fine and not too chilly! Thank you to our parents who have helped in the class with morning reading and assistance with our activities - your time and dedication is most appreciated. We hope you all enjoy your holiday break and look forward to seeing the children rested and refreshed ready for more fun and learning next term.

Yr 2/3

Hip Hip Horray for holidays! I am off searching for some sunshine up North and I hope you all manage a little bit of R and R, no matter what form it may take.

The students have worked extremely diligently learning their timestables over the last two weeks and my apologies to you all for the children learning their tables according to the "Maths Rocks" app. It is a wonderful way for the children to learn their timestables but maybe not so pleasing to the ears at times!

Have a wonderful, relaxing break and I look forward to another AMAZING term with the Year 2/3 class!

Sport

We are looking for parents who can help out with this year's Primary Winter Sports carnival. We still need a soccer coach who can help with training once a week on a Thursday afternoon (between 1.30 - 2.50pm) during school time and then to attend the carnival on the 26th of August.

We will also need some parents who can attend the carnival and help with umpiring for our school. The sports that are being played are netball, soccer and hockey. Please let Mr Greg Kelly know if you can help out with this.

Thank you for your efforts fundraising.

Don't forget to send in your sponsorship form, together with the money!

What's happening in the classrooms?

Yr 4

Phew!! We have nearly made the end of term and what a term it has been!!! I would like to congratulate the class for their fantastic behaviour this week. The last few weeks of term can be quite a drag but the students have kept the momentum going and as a reward, they will get to have a class movie session tomorrow.

I hope you all have a wonderful holiday and enjoy some sleep-ins. To the students, rest up and recharge as we have an extremely busy term ahead of us that even includes an overnight camp!! Details of this will be sent out at the beginning of next term. Until then, take care and see you in a few weeks.

Yr 5/6

The class enjoyed a fantastic excursion last Friday. We were very impressed with the 'bowling' prowess of everyone. We couldn't believe how quickly they all played one round that we decided to give them a second.

After bowling we enjoyed lunch and an afternoon with the Sister from the Carmelite monastery in Gelorup. The class were beautiful in their reverence with the sisters and asked amazing questions to find out more about these truly fascinating ladies. Well done to the entire class on a great day – we had the best time with your all!

Have a fantastic holiday and we will see you at the start of next term, Tuesday 19 July.

The office will be unattended on Friday and will be closed, reopening on Monday 18th July.

Dental Van

The dental van will be closed over the holiday break. The van will then be moving to Augusta for the first half of term three, we expect to be back at East Manjimup in either Week 4 or Week 5 (15th or 22nd of August).

If there are any queries from parents during this time please ask them to phone the van, 0409 935 793 and we will direct them to the closest centre.

Thanks, enjoy your break.

MJR

Congratulations to **Mia Bendotti** for receiving Joseph the Bear at last week's assembly. You capture the true meaning of what MJR is about. By following your lead, we can all be better students. Congratulations and thank you Mia!

Congratulations also for last week's class award winners.

Sienna De Campo for sharing your cheerfulness and kindness throughout the day with everyone. There are many 'God Moments' to spy when you are around.

Elyssa Brown for always being aware of seeing and feeling 'God Moments' in life around you!

Charli Windberg for always noting and appreciating the 'goodness' in people around her. It is truly amazing to see you capturing 'God Moments'. Keep it up.

Taj Thomson-Scott for his ability to identify 'God moments' in school and at home. Thank you for being able to share these with the class.

Log Grown Shiitake Mushroom Workshop

Have you ever wanted to grow your own shiitake mushrooms?

Shiitake are high in proteins, vitamins and minerals and low in fat. They are used around the world to help improve the immune system, improve circulation and reduce cholesterol. There is evidence that shiitake may help in inhibiting the growth of cancer tumours.

Growing shiitake on logs is the traditional method of production. Research carried out in Australia in recent years suggests that the log grown method produces superior fresh shiitake.

Shiitake are traditionally grown on oak logs. The word 'shiitake' literally means 'oak-mushroom'. Australian research has proven that shiitake can be successfully grown on many types of eucalypt logs and other species such as some acacias and poplars.

Come along to this workshop to learn the method of inoculating logs and growing these versatile mushrooms for nutrition, fun or even commercial use.

WORKSHOP DETAILS:

Date: Saturday 23 July 2016

Time: 9.30am – 12pm

Presenter: Julian Sharp

Cost: \$35 per log

(\$10 of which goes to the community garden)

Venue: Vic Conte Community Garden, Pemberton

Contact: Pemberton CRC on 9776 1745 – Bookings essential

Visiting the Carmelite Monastery in Gelorup

As this week comes to an end can I take this opportunity to say thank you for your support of our school events this term. Thank you to the hard working staff who are continually working to make our school a great place to be. May you all enjoy reading my final 'wrap up' for this term.

Jump Rope for Heart

Fantastic skipping everyone for the Jump Rope for Heart fundraiser today. It has been truly awesome seeing you all improve over the course of the term – some of you who could not skip at all are now entering long ropes and skipping with a partner. A big thank you to Mr Kelly who encouraged you all to skip 'towards' today's event, practice skills during sports lessons as well as organising the afternoon for the jump off. All money needs to be returned to the office for your incentives to arrive next term.

Happy holidays everyone!

School Board and P&F
Please remember we launch back into the new term and a P&F meeting on the first day back (**Tuesday 19 July**).
