

K/Pp/Yr1

This week the class has been exploring healthy and unhealthy food.

We discussed that although we love certain foods like chocolate we should only eat them now and then!

The children have taken home a meal diary to complete over the week which they will share with their peers next Tuesday. Today, the class is looking forward to doing some healthy cooking during learning centres this afternoon.

Please remember to pack a jumper for your child now the weather is changing, and ensure your Year One child is wearing the correct uniform according to our uniform policy.

Have a good week!

Yr 2/3

A massive congratulations and well done must go to the Year Threes; Peter, Gaia, Zye, Sienna, Elyssa, Samuel and Kayne as they put on their determined faces and completed the required NAPLAN testing. It is always a bit daunting completing your first ones but they completed all that was asked of them and I couldn't be more prouder. This week has seen us study the character of Edward in the Australian classic book "Edward the Emu". There are many adjectives we have used to describe him but flexiblw is by far our favourite!

We are getting very excited about our excursion on Monday - Ten Pin Bowling here we come! Not sure how many gutter guards we will be requiring but I am sure it is going to be great fun! Thank you to all the parents for returning the permission slips and payment so promptly.

Sport

Practice for the Cross Country event on Friday 27th May is going very well.

The children are very enthusiastic and looking forward to taking part and competing against the students from the other schools in the district.

What's happening in the classrooms?

Yr 4

This week we have been learning about what life was like in Britain in the late 1700's and why convicts were sent from Britain to Australia. We have learned many interesting facts so far. Did you know that people were sentenced for 7 years for stealing just a loaf of bread!! Today we spent some time researching the convicts of the First Fleet to find out what crime they committed and their punishment. Very interesting indeed!! Today, the students who will be celebrating their First Holy Communion will bring home a note outlining an upcoming parent session about Holy Communion. Please take note of the time and date of this session as it is a time where we can talk about your child and their First Holy Communion. Hope you had a lovely Mother's Day and wish you a wonderful weekend.

Yr 5/6

The class is very excited to have reached a milestone target with Accelerated reading and this means we will be looking at a class excursion. We will put our thinking caps on and come up with an experience that the class can enjoy this term. Well done to the entire class for working so well at reading 'blue dot' books and ensuring personal bests are achieved in order to reach their goals.

Very soon our class will begin working on 'public speaking' and looking at how to use our voices to persuade an audience!

Have a great weekend!

CHARITABLE STATUS WORKSHOP

Did you know you don't need to be a registered charity in order to apply for a standard lottery permit?

You are invited to attend a free Charitable Status Workshop facilitated by the Dept. of Racing, Gaming & Liquor. This workshop is ideal for anyone who is involved with a club, charitable group, community based organisation or sporting body. The workshop will provide you with understanding of the community gaming laws in Western Australia in respect to raising funds through the conduct of a gaming activity. The presentation is for two hours and participants are encouraged to ask as many questions as you like.

Living Fundraisers

They have arrived! Take a look in the front office and you will see what they look like. We are calling on our families to take home a bag and sell the herb tins (\$6 each) to family and friends. There are 10 in a bag (\$60 in total) which you may want to purchase yourself or on-sell. Come in and take a bag and help us gain 40% of the profits towards our P&F. For more information, please read the enclosed brochure which explains everything about the herbs we are selling.

PBS (Positive Behaviour)

We are still progressing well with our whole school program centered around our goals of: **Respect, Compassion, Safety and Responsibility.** As a school we have looked at in-class and whole school ways to recognise and celebrate positive behaviour when we follow the school rules. This term we will be working to develop the next phase which is consequences. This is not the focus of PBS as

we want everyone to feel the positive effects of a whole school approach, however we need to know that every child is supported through a clear set of consequences which are articulated to everyone. As parents, you will all be made aware of our consequences through regular updates.

Parish Vision Statement

Please take some time to read the Parish vision statement. If you have any feedback you may email the Parish on sacredheartpemb@live.com.au

The Pemberton Sacred Heart Parish gathers, as a faithful people to bring peace, hope and love through the Eucharist and the Living Word, so that we may be evermore the visible face of our invisible God.

Uniform

There are a number of variations of the sports uniform coming to school. Please note, from Year 1 to Year 6 all

students need to wear black air flow shorts or micro-fibre tracksuit pants which are available for sale in our uniform shop. Leggings are not part of the uniform.

Casuals for Catholics day

Please don't forget, tomorrow is casual dress day to raise money for St John of God Hospital Bunbury. A gold coin brought to school tomorrow will be greatly appreciated. Make sure you dress in warm clothes!!!

First Holy Communion

The P&F are calling on the support of all families this year to assist with morning tea following First Holy Communion Mass (Sunday 29 May at 8.30am). Please see the attached letter to see how you can help.

Cross Country

This event is fast approaching. More information to all families closer to the actual day which is held at East Manjimup Primary School on Friday 27 May.

Have a great weekend,
Carlo Pardini
