

Year 2/3

Half way through the term and it feels like we have only just come back from holidays! The shift in children's maturity and attention to task has certainly been noticeable these last few weeks and I commend them for their increased positive attitude. Reading "The Wrong Book" (we have decided that Nick Bland is our new favourite author!) has allowed us to see what happens when your anger builds, and builds, and builds and then erupts! It certainly is much better to do with emotions as you feel them rather than letting them build.

We had great fun with the K/P/1 class today as we investigated what "pillars" are and how they are the foundation of our PBS program at school. Without pillars, your structures will fall down so it is very important to build those strong foundations. Have a lovely weekend.

Sport

Can you help? We need the assistance of some parents on Thursday 25th, after school and on Friday morning, prior to school commencing to set up for the Primary Winter Sports Carnival. If you help for an hour please contact Greg or the school office.

St Joseph's In Touch

PEMBERTON "Strength through Christ"

See you at the Winter Sports Carnival, Friday 26 August.

School photo day Wednesday 24 August

The wonderful Dawn
 It pleases me so much to give you a positive update on Dawn and confirm to everyone that the power of your prayers has been heard.

I spoke with Russell on Sunday who spoke of the absolute joy they were feeling at the strong recovery Dawn is making. So many times over the week we heard statements about Dawn needing a miracle to be where she is today (in terms of her right eye) and my reflection this week is to say that miracles do happen!!

I said I would pass on a message of 'Thanks' from the Flick family to all our school community for the show of support and love which continues into this second week.

The family is still in Perth as Dawn does have more appointments but we pray that her recovery continues to be positive and we see them back home soon.

The Sacred Heart Parish Pemberton is organising a 'welcome home' hamper of goodies for the Flick family. Suzanne Moynihan is happy to collect any items you have which can contribute to this bundle to make it a really special treat. Items may include chocolates, special soaps, and craft items for Dawn or Kayne...really it can be anything that you think may make their return to Northcliffe a little brighter! Please leave items at either the school or church for Suzanne.

TREE talks
 Our team of very energetic (and very nervous) public speakers headed to Boyup Brook last Thursday for the inaugural TREE talks. It was so pleasing to see them deliver their talks in front of a strong crowd of 60 people. Well done to our speakers: Toby Ebsary, Charli Windberg, Jordan Della Franca, Patricia Mwansa and Aiden North. You made us all very proud.

PWSC
 Please make your way to your child's venue on Friday 26 August for the annual Winter sports carnival. Don't forget to pack some warm clothes and an umbrella! The venues for the sports are as follows:
 Hockey – Sports club
 Netball – PDHS courts
 Soccer – PDHS oval

Say cheese!
 This Wednesday 24 August is our school photo day. All children are to wear full winter uniform (which included the woollen jumper). If you are unsure, please see your child's teacher.

Spellademic
 This annual spelling competition will be held on Thursday 25 August at the Warren Valley Church (behind Target). All children selected will receive a permission note about this.

Have a fantastic weekend everyone and stay warm!
