Primary Winter Sports Carnival Results

Below are the results from Friday’s Winter Carnival. The day was fantastic with all students having a wonderful time competing for their schools.

I would like to take this opportunity to thank a number of people who were involved in the carnival to help make the day so successful. The first (and I believe most important) is the students of St Joseph’s, their behaviour was exceptional. I was told by our coaches that they were very proud to be working with such a wonderful group of children who were able to represent the school maturely and with such positive sportsmanship.

Our coaches, Mrs Helen Smith and Mrs Kelly Cabassi, we would have been lost without your commitment and expertise. The children looked forward to training with you every week and I appreciate the time you have given up with them. Our umpires and helpers on the day; Mrs Mazzarolo, Mrs McRae, Mrs Ryan, Mr Pardini and the students from Manjimup Senior High School. Thanks for your time and help and to keep the children on time and organised.

A big thanks to Mr Windberg, Mr Olsen, Mr Adley, Mr Pardini, Mrs Allen and all the staff from PDHS for helping to set up goals, mark out pitches, construct shade tents and set up hockey courts Thursday afternoon and early Friday morning. Mr Windberg also stayed behind and helped pack it all away at the end of the day. I can’t thank you enough.

All students who have not yet returned their clean uniform please do so to Mr Kelly ASAP.

K/PP/Yr 1

This week we have been busy continuing to learn about trees and how they can be both useful and fun.

We have also enjoyed doing lots of activities about our Dads and especially enjoyed the breakfast yesterday.

‘Thank you to all our Dads who came for the delicious cook up!’

Yr 2/3

Our week was made on Tuesday when Kayne returned after some time away from the class. We were so happy to see his smiling and happy face back in the classroom and we hope he was happy to be back.

It has been all about our Dads this week (and so it should be!). A lovely breakfast was had yesterday morning and we have been busily designing and creating our amazing Father’s Day presents. We hope all the Dads out there get spoilt on Sunday.

We are delving further into “Charlotte’s Web” and we cannot believe how amazing Charlotte is at helping Wilbur avoiding his fate! We have made our own handprint spiders and written what we know and feel about these arachnids that can be found everywhere!

Have a lovely weekend.

Yr 4

Well done to the class for their fantastic performance yesterday during their assembly. We hope we were able to impart some valuable lessons to our dads about fashion sense, jokes and dancing.

We are all looking forward to the return of some ‘normality’ next week as we have had a few hectic and busy weeks lately. Next week we will begin a novel study on a book written by Morris Gleitzman called ‘Misery Guts’. This will see us to the end of the term with many activities already planned.

Have a wonderful weekend.

Yr 5/6

We have been working so well in class on a number of different things. We continue to focus on our ‘review’ writing in English as well as watching our weekly episodes of BTN.

We hope our Dad (and mums too!) enjoy the small gift we made up for you for this Sunday. We are told the box of promises are going to be ‘followed through’ by your children. I think it is fair to say there are going to be some very clean cars and bedrooms around town!

In the final weeks of this term Mrs Mazzarolo will be taking the class for the two weeks while Mr Pardini is away.

What’s happening in the classrooms?
