Welcome
This week we welcomed Elyssa into our Year 2 class. I know the class were very excited have a new face and friend in the midst. We hope you have a great first week Elyssa!

First Holy Communion
After all the hard work First Holy Communion Mass is on this Sunday 7 June at 8.30am. Come along and join us and then stay for some morning tea afterwards. I look forward to seeing you on Sunday.

Breakfast club & pyjama day
It’s on again! The annual breakfast club will be held in the last week of school. We will have a ‘cook up’ on Tuesday 30 June commencing at 8.00am. This year however, we are throwing in something extra for everyone - come dressed in your pyjamas on this day (because that’s what you wear when you are eating breakfast!). We hope you can be at school early on this day to enjoy a sumptuous start to your day. If you have any food to bring along this is a great opportunity so please let us know.

Cultural Incursion
Today the school were treated to a special visitor (Mr Troy Bennell) who took us through some of the cultural aspects of the Noongar people. Through story, the children listened to the Troy share with us some of the cultural elements that have made their history so rich and diverse. Well done everyone on getting into the spirit of the day.

Cross Country
A huge note of congratulations to this year’s cross country team who made the day a sensational success. You all tried your best and were supported by your families. The overall results are inside this In Touch edition.

Primary Winter Sports Carnival
Calling any parents who may be able to help us with our annual sports carnival this year. We are chasing a coach for soccer and hockey. If you can help us, please call the school.

Classroom news

**Kindy/Pre-Primary**

Well done to the class last Thursday for performing their best in our assembly and thank you to our big buddies (Jess and Jonty) for helping us with our assembly.

This week the children excitedly started building their box construction transport with their year 4/5/6 buddies. Some of the creations include spaceships, trains, a horse and cart and helicopter. The challenge is to include provision for food and water storage and features to survive extreme heat and cold as they travel around the world.

Over the next few weeks we will further develop our family theme to explore Jesus’ family and our extended family members. We will read stories and share experiences, special items and photos.

Our next exciting events will be our class liturgy and Nanna’s morning visit on Wednesday 17th June (week 9).

**Year 2/3**

With a few extra days off this week, it certainly had thrown our routine out a little bit this week. There have been a few class members away with various winter ailments and we wish them a speedy recovery!

This week we viewed "The Bee Movie". With the vast amount of knowledge we have gained about bees so far this term, we watched the movie with the following questions in mind, 1) what information did the film maker get right? 2) What information did the film maker get wrong? 3) What parts did the film maker add in just for ‘fun’? Surprisingly the film got a lot of the facts correct, however, there were a few we were not so convinced off (such as bees wearing hair gel??)

Please remember to bring a piece of fruit for each day to help us with our mid-morning snack. A reminder also that reading and maths books should be completed each night.

**Year 4/5/6**

This week we have really focused our energy on the upcoming First Holy Communion celebration. It has been so nice for the whole class to support one another leading into Sunday’s Liturgy. I look forward to seeing everyone at Mass this Sunday at 8.30am to show your support.

Next week we will return to a little more ‘normal’ pace.

Have a great weekend everyone!

**MJR**

Congratulations to Kayne Flick who was the MJR recipient of Joseph the Bear last week. Don’t forget to nominate, nominate, nominate when you see anybody around the school showing the MJR spirit. It could be as simple as a person opening a door or greeting you with a warm welcome.

In addition to Kayne receiving Joseph last week, I would like to congratulate the following students who received MJR certificates within their own class. Well done!

Gaia Kelly for always making the right choice in and out of class. It is wonderful to see how responsible and mature you are.

Xander Omodei for making responsible choices throughout each day.
