Yr 2/3

It is all about the Carols night as we roll full steam ahead towards the end of the school year. The two items the students have been busy practising are absolutely brilliant (and no I am not biased!) and I have enjoyed every single rehearsal we have had. The classroom is definitely getting that Christmas feeling as the children have been busily producing gifts, wrapping paper and craft for the festive season. This year’s class certainly is creative and I have been astounded at the quality of the work they are producing. There are certainly some budding creative minds in our midst.

I am having great difficulty in thinking that this is my second last in Touch piece for my time at St Joseph’s and be sure to look out for the tear stains on next week’s Yr 2/3 section!

Have a lovely weekend.

Yr 4

This week has been all about the carols and making sure that we are tip top for tonight! I hope to see you all there enjoying the festive night! I know you are all in for a real treat.

Can you believe that there is only 6 more days of school to go! As the year ends as a teacher, I feel very mixed feelings, of both joy and sadness. I have no doubt that we will have an enjoyable final week next week. We will be busy doing lots of Christmas craft, learning about the birth of Jesus as well as writing our own Christmas story. Yes you read that right, we are still doing work! I can’t wait to read their Christmas narratives.

Yr 5/6

The class has worked very hard on their items for tonight’s concert. We are looking forward to presenting them to our families and friends. Thank you to everyone who attended Wednesday’s graduation Mass. It was a beautiful ceremony and we loved having all our families attending. See you all tonight – all rugged up for the cold evening!

Graduation
We celebrated a beautiful Mass on Wednesday which saw the graduation of our Year 6 boys. It was a lovely liturgy to thank God for our year and pray for the boys as they move to Middle School for 2017.
