A message from Mr Pardini...

First Holy Communion
As a Parish and school community we gathered on Sunday for First Holy Communion at the Feast of Corpus Christi. A lot of preparation and time went into many facets of the Mass and celebration afterwards. Thank you to everyone for a great ‘team effort’ to ensure the day was a beautiful celebration. The morning tea following mass was lovely - thank you to those parents who assisted. Well done Mrs Kelly and her band of helpers for taking care of this part of the day. Congratulations to Joshua, Josie, Jordan and Kate on making this next step in your faith journey. You did a great job!

Breakfast club & Pyjama day
I am sure it is in your calendar - please don’t forget our annual Breakfast club and pyjama day is coming on Tuesday 30 June. Breakfast will be served for the children from 8.00am. Parents, if you can assist on this morning we really would love your help!

Options 2015
It has certainly been the talk of the school in the past week! We currently have 7 Options that we will be running. It’s not too late to let us know if you are interested in running an option (you have until Friday!). We would love to hear from you.

Cross Country
There was an error in last week’s results for the Cross country - sorry, it did not affect the final result (although some of you I know had secretly held out in hope!) but Kate Thexton was listed under the wrong school. We can confirm that Kate does actually attend St Joseph’s and her points went towards our school tally! Well done to all our very observant parents who noticed!

P&F and School Board
Just to confuse you all, this month’s meeting was scheduled for the 3rd Tuesday of the month! I hope you can make it to our P&F meeting at 5.30pm Tuesday 16 June in the staffroom. School Board will follow at 7.00pm. Thank you.

Primary Winter Sports Carnival
The date has been set - Friday 21 August. Calling any parents who may be able to help us with our annual sports carnival this year. We are chasing a coach for soccer and hockey. If you can help us, please call the school.

Written reports
Written reports are currently being finalised by the teaching staff. This year, all children from Pre Primary to Year 6 will receive a written report. You will receive these in the last week of this term.

Bon Voyage
We wish Kerry, Colin, Anthony and Kate all the best as they embark on an ‘epic' caravan holiday of a lifetime through central Australia. May you feel the sun on your face and the road rise to meet you each day. Have a sensational time away and enjoy every moment. Don’t forget to send us some pics!

Year 4/5/6 Assembly
Please mark in your diaries, the Year 4/5/6 Assembly on Wednesday July 1st at 2.00pm.

Have a fantastic weekend everyone!

Carlo Pardini
Principal

Classroom news

**Kindy/Pre-Primary**

This week we are having fun learning all about shapes. We have been sorting, building, matching and looking for shapes in our environment. In spelling we are cleverly blending and segmenting three letter words and in reading we are developing our comprehension skills and concepts of print! We are also busy learning about grandparents and imagining what we will be like when we are elderly.

Next Wednesday our liturgy will be held in the school library at 9.00am. All families are most welcome to attend. We will then have our Nannas and special guests come over to our class for some special activities and morning tea. Could you please return your notes regarding who your child's special guest will be and any special requirements they will need for the day.

**Year 3**

We have been “buzzing” around with further investigations into the bee world. This week has seen us look in detail at a bee colony as well as looking at the life cycle of our yellow and black friends. Did you know that bees can either cool or warm the hive (depending on the outside temperature) by using their wings?

Thank you to those people who have returned their assessment books. A reminder that they all need to be returned by the end of the week.

**Year 4/5/6**

We continue to work hard in our class achieving lots each day! There were so many comments on the stained glass windows which the class worked tirelessly on over 2 weeks in preparation for Holy Communion. Well done everyone on your great efforts with this.

Have a great weekend everyone!

**Options**

It is that time again where we are busily organising our popular Options Program for next term. We are looking at running it on a Wednesday afternoon for seven weeks. This is an event that the students get very excited about as they get to select an area of interest (like sport or cooking) that they get to do for the duration of the program. We do require one or two parents to run an option to enable the groups to be small enough so that all children can participate fully. You would be assisted by a teacher and lots of help would be given (in other words you would not be left to fend for yourself!) Remember we are not looking for ‘experts’ and we are sure whatever interest you may have in any area, then children will have that interest also. Please contact Carlo or Heidi if you would like to discuss the possibility of helping with this program. Thank you.

**Year 1/2**

This week we have been busy creating characters for our superhero narratives! It has been very interesting to read about the student’s superheroes and villains. Over the next few days we will be starting to plan our story.

In religion we have been learning about choices and we have been talking about making smart choices to be better people. A smart choice when you see some rubbish on the floor would be to pick it up and put it in the bin. I hope that you see your child making some smart choices at home.

Have a great weekend!
From the office...

**Office Hours**
The office will be open on Friday, Monday, Tuesday and Wednesday next week.

**COLIN KNIGHT MILESTONE**
The staff and students of St Joseph’s wish to extend their best wishes for Colin’s work with the Catholic Development Fund. This week, Colin celebrates 25 years of service for the CDF. Thank you Colin!

Grants Workshop

You are invited to attend a free Grants Workshop. The workshops are ideal for anyone who is involved with a club that is planning or preparing a grant application. The workshop will provide you with an introduction to grant funding and will take you through the grant process so that you can become a proactive, successful grant seeker and perhaps generate income for your club.

At this short workshop you will learn about:
- Australia's funding landscape - sorting out which grants are best for your project
- The different types of grants and where to find them
- The process of applying for a grant
- How to make your club 'grant ready'
- How to make your project 'grant ready'
- Identifying projects and matching them to grants
- Project assessment, evaluation, telling the story and creating the ask
- How to humanise your story - presenting a compelling picture
- Creating winning project plans & realistic budgets
- What the grant application questions really mean
- Supporting documents
- Grant applications

The workshops will be presented by Helen Harper. Helen has undertaken training as a grant writer and has practical success in successfully securing and acquiring a number of grants for a range of projects. Helen has previously employed as the Shire of Manjimup’s Senior Community Development Officer and also has experience and formal training in community consultation, public participation and grant preparing.

The workshops are being run on:
- Dates: Tuesday 23rd June 2015 - Wapin Sport & Recreation Centre
- Wednesday 24th June 2015 - Northcliffe Recreation Centre
- Thursday 25th June - Narrogin Shire Office
- Wednesday 1st July - Pemberton Sports Centre
- Thursday 2nd July - The Gatley, Manjimup Community Centre

Time: 5.30pm - 8.30pm with refreshments provided

RSVP: Katie Drummond, Club Development Officer on 9771 7797 / 0419 767 862 or via katie.drummond@manjimup.wa.gov.au
